- Direct Kumho Tire retail dealers
- Dealers with more than 10% in automobile sales
- Dealers with more than 10% in wholesale sales

ANNUAL CATCH-UP BONUS STRUCTURE

The Premium FUEL Program bonus attainment is administered quarterly. Unit totals and payments will be independent from quarter to quarter. An annual catch-up bonus is also available and will be paid based on combining all quarterly units purchased for the year.

There are two ways to earn an annual catch-up bonus:

- If, at the end of the year, you fall into one of the annual catch-up bonus tiers. Kumho Tire USA will pay out on eligible tires that did not earn a quarterly bonus.
- Upgrade all past quarters' earnings to higher payout levels based on your annual catch-up bonus tier and Kumho will cut you a check for the difference.
 - If your annual total reaches between 144 and 399 eligible units, Kumho Tire USA will pay \$2 per unit purchased in previous quarters that did not achieve a payout.
 - If your annual total reaches between 400 and 799 eligible units, Kumho Tire USA will upgrade all previous quarter Level 1 payouts to Level 2.
 - If your annual total reaches 800 to 1199 eligible units, Kumho Tire USA will upgrade all previous quarter Level 1 and 2 payouts to Level 3.
 - If your annual total reaches 1200 to 1599 eligible units, Kumho Tire USA will upgrade all previous quarter Level 1, 2 and 3 payouts to Level 4.
 - If your annual total reaches 1600 or more eligible units, Kumho Tire USA will upgrade all previous quarter Level 1, 2, 3 and 4 payouts to Level 5.

RECEIVING YOUR REWARDS

Within 30 days from the close of each quarter, your distributor will provide Kumho Tire representative with the necessary paperwork to confirm total sales and dollar amounts on eligible tires. Rewards will be sent out within 60 days from the close of each quarter.

TRANSFERRING DISTRIBUTORS

Associate dealers must designate a Kumho distributor to enroll for this program.

Associate dealers must remain enrolled with their selected Kumho distributor for a minimum of 12 months before becoming eligible for a transfer to another Kumho distributor.

To change your designated distributor:

- Fill out and return the Distributor Change Form to Kumho Tire USA.
- The change will become effective two weeks from the date the form is approved by the appropriate Kumho sales representative.
- Your current designated distributor will be notified of the change request.

ADDITIONAL GUIDELINES

Complete the Associate Enrollment Form and send it to your Kumho Distributor.

- Unit totals and bonuses paid only on tires that are premium fuel program eligible.
- A minimum of 144 units must be purchased in a full calendar year to remain on the program.
- Premium fuel eligible tires and their payouts are shown on pages 3 and 4.
- Only premium fuel eligible units ordered through your designated distributor will qualify for bonus payouts.
- All bonuses are calculated on a per locations basis. If purchases for multi-location associate dealers are reported as a combined total, Kumho Tire USA will divide the purchases equally among the locations to determine the per locations quarter and annual unit achievement.
- Associate dealers enrolling in the program after the start of the quarter will be eligible to qualify for full bonuses on all purchases made during the quarter of enrollment.
